

# PSC7330

## 30kg Portion Scale

## Product Specifications

---

- 30kg maximum weight in 1g increments
- Stainless steel double pan design
- Waterproof keypad
- Speedy weighing and stable reading within 1 second
- LCD with white backlight
- Counting function
- Operating time over 4 weeks when fully charged
- Low voltage display and overcharge protection
- Manufacture code: ACS-ZC73

## Model Specifications

---

Power: Built in 4V/4AH rechargeable battery. AC/DC power supply/charger

Dimensions : 300 x 340 x 120mm

Weight: 3.5kg

Origin: China
